SPECIAL EVENTS

When your arms lie twisted under your back
and your bones shriek, does courage lack?

Running.

The sun shines forever on your Dance Court.
Some people have trouble understanding the
Sport.

Run on and on.

Why should the word be over-wise,
in counting all our tears and sighs?
Jesse Jackson brought welcoming NEWS
rapping
On revolution and over-coming our blues.
Rap on and on

The Reverend Jesse Jackson

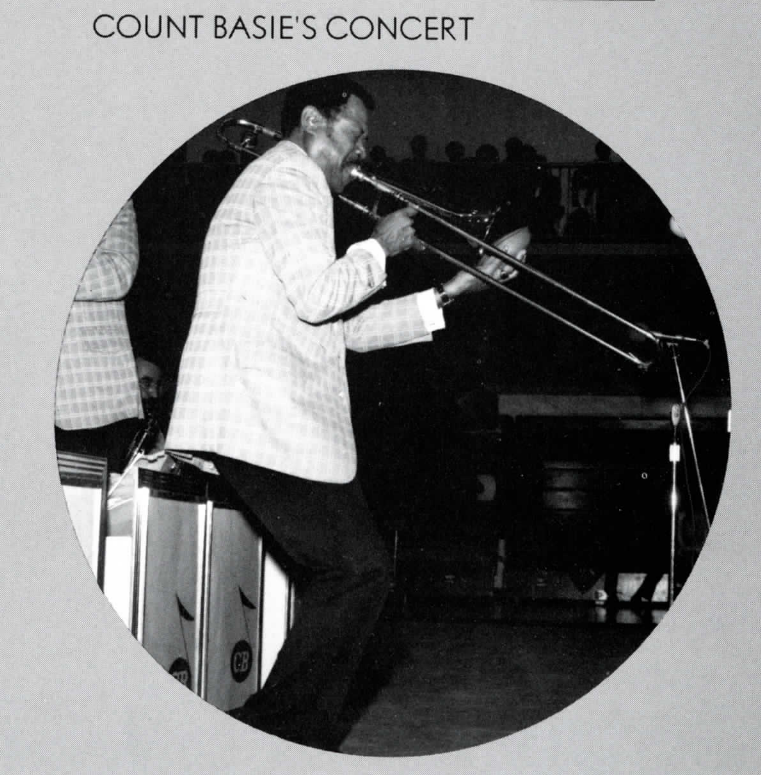

If music were the road to sin
down it we'd travel 'til the end.

COUNT BASIE'S CONCERT

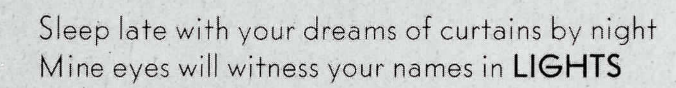

Count Basie would keep us together
playing
Sweet melodies that after the WEATHER
play on and on.

As if asleep they await recognition patiently.

Dreaming.

Sleep late with your dreams of curtains by night
Mine eyes will witness your names in **LIGHTS**

Dream on and on.

PERFORMANCE SEMINAR

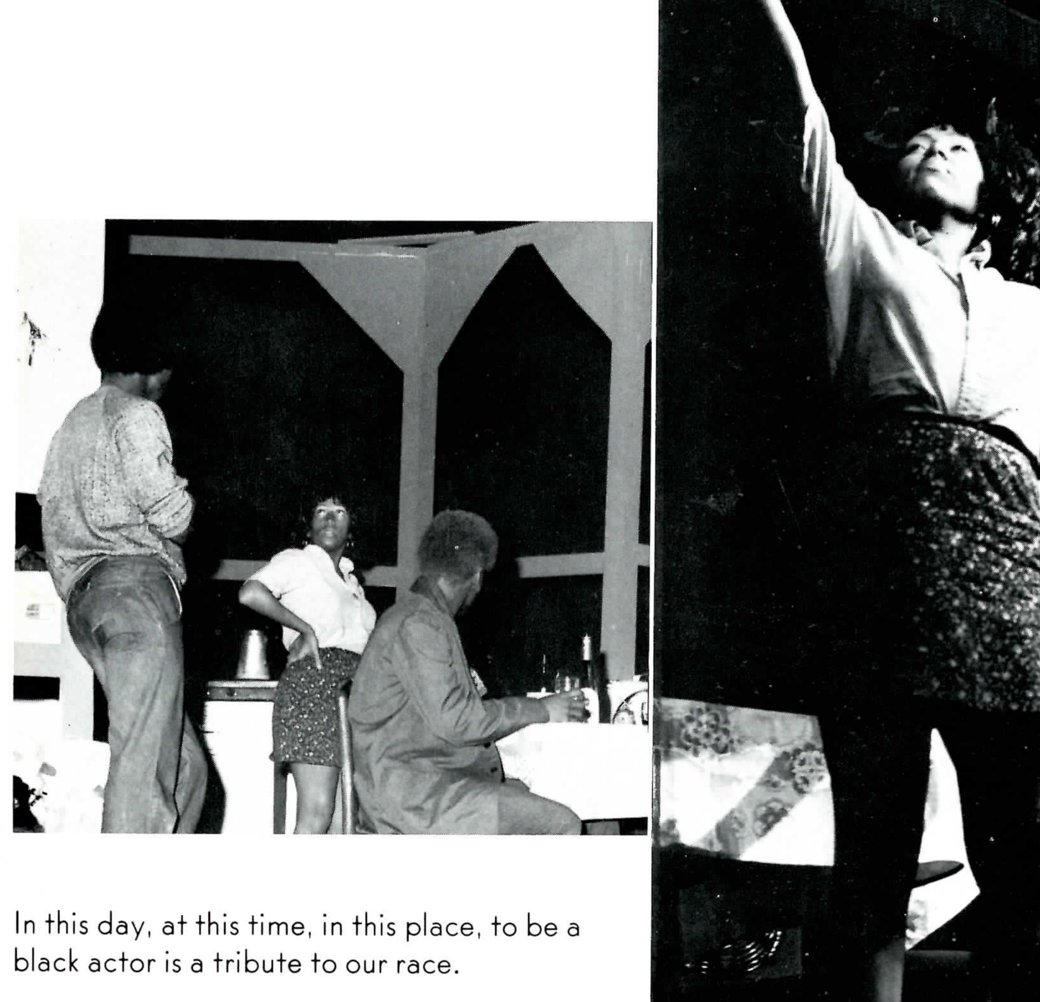

They speak to their listeners through lips and fingers.
Some will improvise a melody while she lingers.

Keeping

The performance going with much support.
They are buried with secrets they fail to
REPORT.

WINE IN THE WILDERNESS

In this day, at this time, in this place, to be a black actor is a tribute to our race.

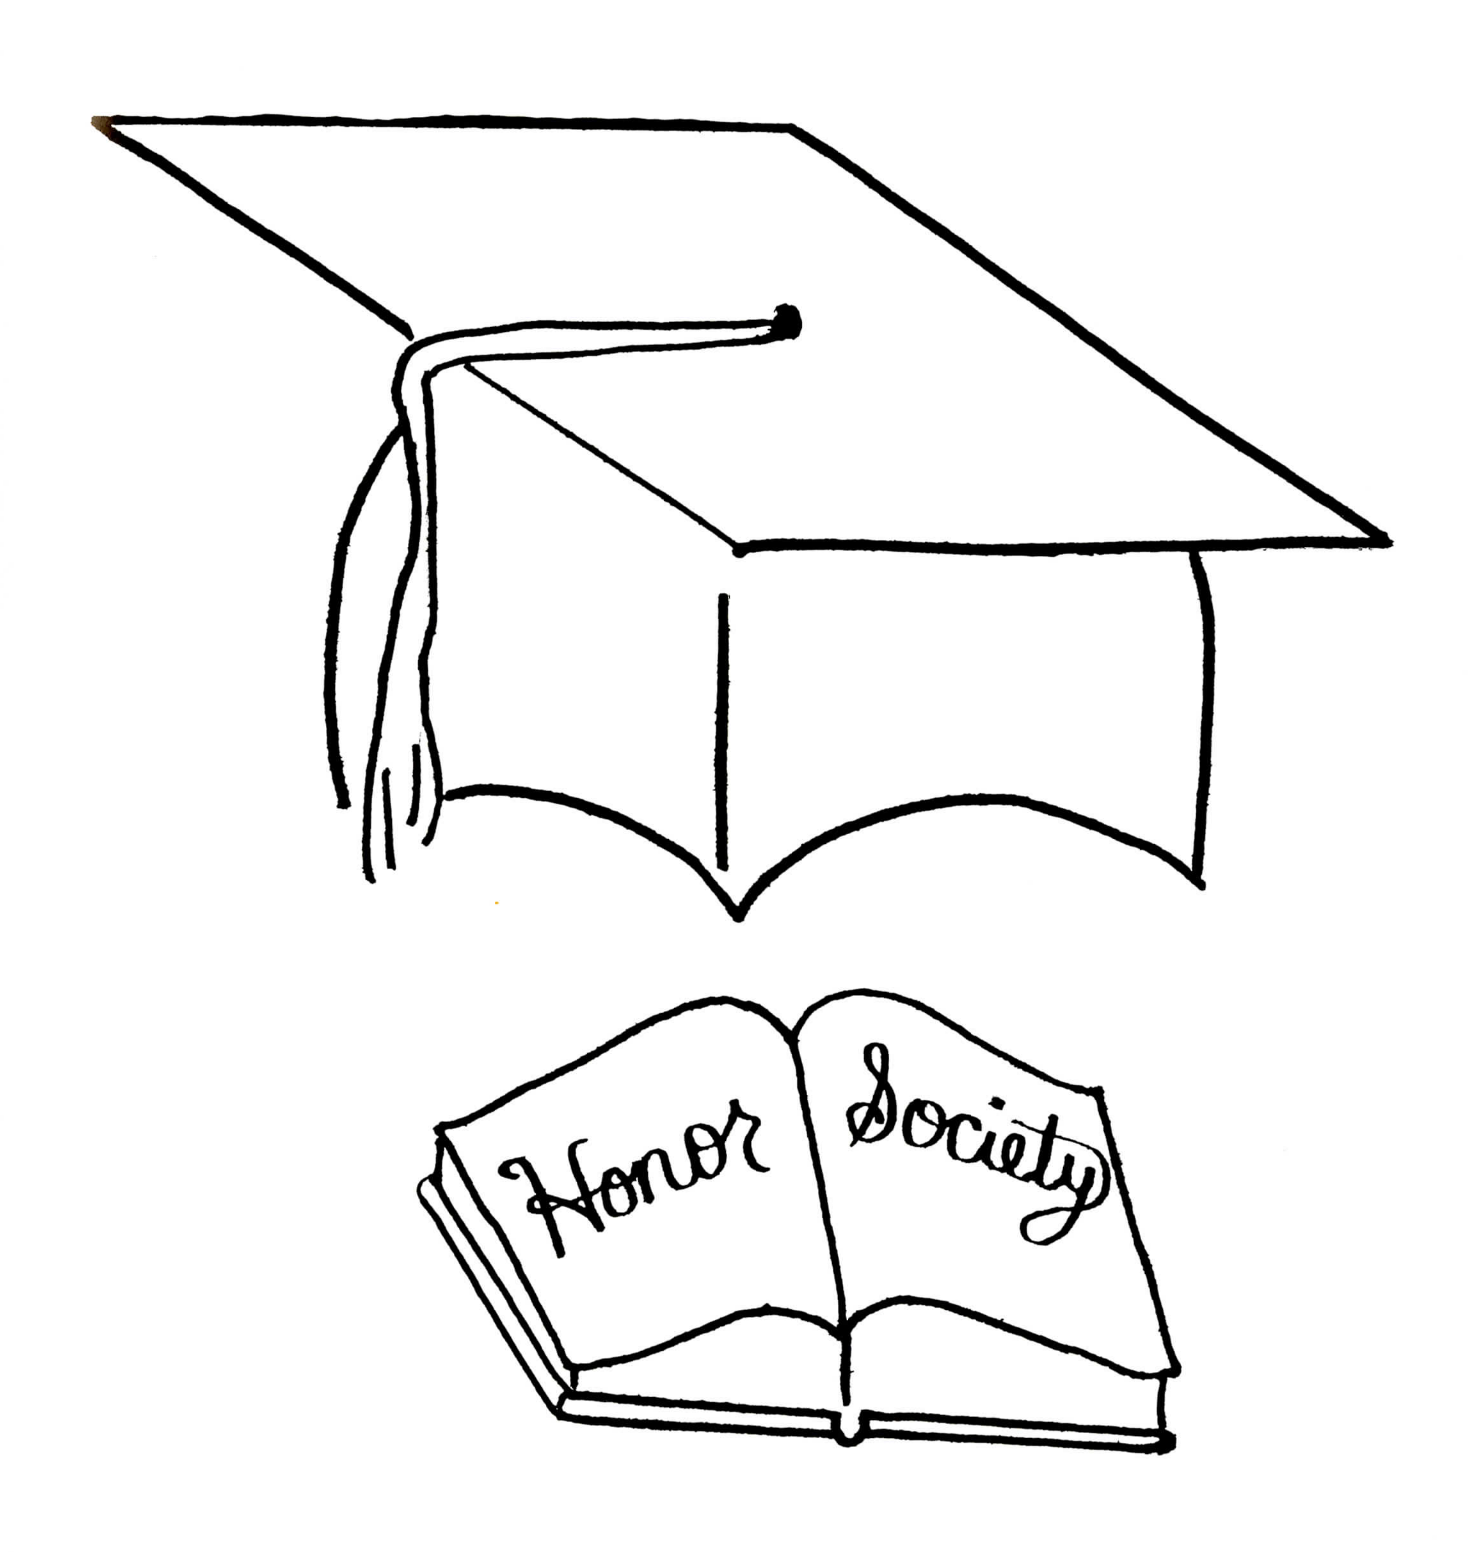

Acting

Against the timeless clock are rehearsals.
That changes days to years,
plays into **COMMERCIALS.**

Act on and on.

'The Transcendental 18'

You call us prissy but listen missy .

The purpose of Alpha Kappa Alpha Sorority is to promote high scholarship and ethical standards and to bring both friendship and unity among college women.

Beta Upsilon Chapter, as one link in the long **AKA** chain was founded at Dillard University in 1938 by eleven young women who subscribed to the sorority's ideals.

Today there are over 50 women on Dillard's campus who strive to uphold all the ideals and high standards of Alpha Kappa Alpha.
